

## VII. INDEX TO THE DATABASE

The numerals are UG nos. as defined in the Database, which shows all grid references and HistoricEnvironment Records (HER) nos. where applicable. Bold type indicates the main definition and description of a site.

Entries marked with asterisks provide interpretations of place names.

Names that are useful for our purpose, but unofficial, are shown in inverted commas without capitals e.g. ‘Moorhavenleat’

Italic numbers in square brackets refer to photographs in the Ugborough Local History Group archive collection. The symbol <sup>0</sup> denotes a copyright restriction.

Site names are listed as spoken, e.g. ‘Lower Ludbrook’, not ‘Ludbrook, Lower’.
