Ceremonial flying of the Flag

The flag will be flown on the following occasions in November
Sunday 14th November -Remembrance Day AND the birthday
of the Prince of Wales,
Saturday November 20th- The wedding anniversary of the Queen and
Prince Philip

Martin and Flo would like to say a big THANK YOU to everyone who sent cards, or donations to St. Peter's Church and RDA and who helped in any way to make the evening of their Golden wedding such a success and so enjoyable.

Erme Valley Riding for the Disabled. Peggy Douglas

We are well and truly back into the swing of things - and everyone, including the horses, are enjoying this quiet autumn weather. It's a treat to turn a happy horse out into a dry field with still some grass to enjoy - long may it last!

Sincere thanks to Martin and Florence Crossman for their generous donation to funds from their recent Golden Anniversary Party. Congratulations to you both!

And once again Jim Long has excelled in his fund raising for us! At a recent gathering of helpers, riders and regulars at The Horse and Groom, we were presented with £500 - proceeds from the Grand Post Steeplechase Draw!

WANTED - we are in dire need of two tall persons (not adverse to horses!) to help with a particular rider on a Thursday evening. This is **not** a huge commitment - Term time, every other week between 6.00 and 6.30. Matt loves his riding but is a leggy youth now - and needs a tall horse. The abundance of vertically challenged helpers is threatening to stop Matt's riding - which he so enjoys.

Please see Peggy or contact her on 01752 894348 if you can help.

Ugborough and Bittaford Pre- School. *Naomi Williams*

October saw the children making bread rolls and vegetable soup for our Harvest Celebration. Parents, relatives and Toddler group were invited, and the children and staff enjoyed performing songs like "Dingle Dangle Scarecrow" and also "The Little Red Hen Rap". The weather has been amazingly warm and dry during October, which has enabled us to do lots of fun activities outside like catching leaves in the wind, then using them to make colourful prints. Immediately after half term we will be involved in activities related to "Bonfire Night", creatively exploring colours and sounds, as well as developing the children's knowledge and understanding of Staying Safe at this time of year. Then the end of November is St Andrews Day when we are planning to make some delicious shortbread and try a bit of Scottish dancing! Thank you to everyone who kindly attended the pre-school AGM ably chaired by Sara Hooper and parents who volunteered to join the new committee.

Our sessions are filling up fast for next year, especially as we have limited spaces for two year olds, so if you wish your child to be included on our waiting list please contact us as soon as possible to avoid disappointment - Thank you.

Ugborough and Bittaford Pre-School welcomes children from 2 years old to school age, and offer two FREE taster sessions so that you and your child get the opportunity to come and see the setting and meet the staff prior to starting. Our opening hours are Monday, Tuesday, Thursday and Friday 9 am to 12.45pm and Wednesday 9 am to 2 pm, term time only. For further information please contact either Tania or Naomi on 07763 215455, also you can log on to our website at www.ugboroughandbittafordpreschool.org.uk and learn more about the pre-school.

Ugborough Youth Group *Sue Johns*

We had an exciting if not noisy meeting recently to plan the term's events.

Welcome to new Committee members Judith and David Jones.

Members spent a creative evening last Friday producing a variety of scarecrows to add to the village trail.

We are helping with the Shoebox Appeal on Saturday 20th November.

Everyone is welcome to pop into the Village Hall to lend a hand.

We have an event planned for November 12th - and the Safari Supper will be held on Friday 3rd December from 7.00pm- this event will be planned by Tessa, Jake and Andy.

The Autumn has been beautiful. Plenty of foraging to be had in the hedgerows. I hope your shelves are now full of jams, pickles and more importantly, Sloe Gin! It seems to have been a very good year for berries etc - it must have been all the rain we had over the summer months. Winter is now settling upon us, but that is no excuse so get your walking boots on and join us on **Sunday 7th November at 10.45am in Ugborough Square** for another pleasant amble around the Parish. Bring along dogs and other relatives and we will see what we can find in the hidden places of Ugborough. For more information contact Tom Holway (01752 893114) or Merryl Docker (01752 893651). See you soon.

Book Lovers *Anne Nonymous*

Jodi Picoult certainly tackles some challenging subjects in her novels. In this book 'Second Glance' she includes the paranormal, the Eugenics project and local Native American people the Abernaki. The book is a suspenseful, supernatural tale, where all the characters have a connection to each other, however distant they may be. It is written in three parts - present day, past and present day again and is set in a small town in Vermont U.S.A. Chilling and addictive, *Second Glance* weaves an intricate web of love, murder and shocking secrets that is irresistible from beginning to end. A fascinating, visual read that I thoroughly enjoyed.

UNDER MILKWOOD

What a fantastic village event! Taff would like to send his thanks for the tremendous support given by you all. Thanks to all who took part in the performance in any way. Details of the final amount raised for Friends of St. Peter's and the CD will follow shortly.

Editor's note- Many, many thanks to Taff for being the inspiration for this production. It's a tremendous achievement. Who knows what it may lead to!

8.0 pm WEDNESDAY 3rd NOVEMBER 2010

Ugborough Primary School

What a busy few weeks! The children have settled in brilliantly and it seems like our new members of staff have always been there! The children have been working extremely hard, as well as finding time for a little bit of FUN! Preparations for this year's Harvest Festival are going well and we hope it will again be a big success. *(Editor's note- I understand that it was!)* Personally I'm looking forward to sampling some of the home produce, which is always so tasty! Thank you, as ever, to Mr and Mrs Johns for the use of their barn at Hillhead Farm.

Our federation discussions with Ermington Primary School continue and parents have had the opportunity to visit Ermington and meet with their Head, Jane Byrne. We have now entered into the formal six week consultation period - more news will follow later in the year.

Following on from the successful "Food for Life" day earlier in the year, we have decided to produce an "Ugborough School Cookbook", consisting of family favourite recipes. A "mock-up" will be available at the Harvest Festival and we hope to take orders in time for Christmas - all proceeds will go towards plants/seeds/compost for use in school. If you are interested in purchasing a copy of this recipe book please contact the school office for more information (892489).

The school "Friends" are busy with their fundraising activities in support of the school and we are very grateful for their tremendous efforts. We hope you have all seen the details of the "Scarecrow" trail which is open to everyone in the Parish. If you would like to take part please contact Caroline Ross at caroline.ross11@btinternet.com

The Friends of Ugborough School, Charity no. 1047174 present:

The Posh Frock Swap! at Ugborough Village Hall

on Tuesday 9th November from 6.30pm - 8 pm

Ugborough Local History Group *Merryl Docker*

It's Party Time!! Yes, party time has come around again all too quickly for members of our History Group. We are delighted to say **Adam Hart-Davis** enjoyed himself so much last year that he jumped at the chance to join us again ~ this year in a different venue!

Wednesday 24th November 7 for 7.30pm at Flete House, Modbury.

As in previous years this is open to MEMBERS ONLY and numbers are limited ~ to book your place please contact Merryl Docker on 01752 893651 or email me on merryldocker@yahoo.co.uk.

The topic of Adam's talk is as yet undecided, but whatever it will be, I'm sure it will be very entertaining. We will be providing our own buffet party food and drink again as usual, but we will have to make a small charge on the door of £2 per person to cover the cost of the venue. So this year, to join us in the stunning surroundings of Flete House you will need:-

- ❖ to be a member of the History Group.
- ❖ £2 entry fee.
- ❖ To bring a contribution to the buffet table, either one of the following: plate of something sweet or savoury, crisps/nibbles, or drink alcoholic or fruit juice to suit your taste. Coffee will be provided.
- ❖ You will also need to bring along (for your own use) a glass, plate and cutlery - this may seem a little odd, but it will save a great deal of cost and time in clearing up if we all take our own. Think of this like an indoor picnic!!! I can assure you of a very entertaining, memorable evening in a truly beautiful location. Do let me know if you wish to be added to our guest list! I look forward to hearing from you.

Your Stars Tonight.

Since the visit of the Welsh Bard to Ugborough the steamed dieter has been somewhat excitable with frequent calls to her agent about bringing Wagner's Ring Cycle to Ugborough Village Hall plus a Youth Group performance of *Waiting for Godot* to be staged in the Ugborough bus shelter - and followed by a possible world tour in 2011.

I go outside to find a little peace in the darkness of the Ugborough Skies and share with the Babylonians the wonder of the annual wheeling of the Zodiac around the North Pole Star. Orion the Hunter is just beginning to lift his shoulder over the south Eastern horizon - visible for the first time since last April. I fall into a reverie about fading stars for the bright red star which is Orion's left shoulder is Betelgeuse - interesting because it varies in brightness from the seventh brightest star in the night sky down to twentieth over a period of months as it swells and shrinks driven by its thermonuclear inner fire.

Almost directly above is another type of variable star in the constellation of Perseus. Algol is its second brightest star - except that every couple of days (2.867 days to be precise) it fades to become the fifth brightest in the constellation. The precise timing of the fluctuation gives a clue as to the cause - an eclipse of a bright star by a dimmer companion star revolving about it. The ancient stargazers may have recognised this variability - in Arabic, Hebrew, Medieval English and Chinese respectively it is named as *Ghoul*, *Satan's Head*, *Demon star* and "Piled up corpses" - in other words a bad karma star!

Now for a real star gazer's challenge (you need a star map for this one): low in the southern evening sky is the constellation of Cetus (the Whale) and in the middle of this is Mira - "the Wonder Star"- which is far more interesting than bathroom accessories. At the beginning of November it will be bright red tinted star easily visible on a clear night. Yet next April it will be invisible to the naked eye and probably even when using binoculars. It is now known that Mira is one of thousands of variable stars identified as red "super giants" whose variation is caused by a very regular expansion and contraction in its size.

Suddenly the steamed dieter beside me in the gloom offering a welcome mulled wine. "I have decided that fame and fortune is not for me" she murmurs "I shall live out my declining years in Ugborough". "But to me you will be my little wonder star" I coo in her ear "and I shall be your Algol."

DUNG BAGS

The editor asked at the end of the October article, "what is a dung bag?" Other people have since asked me the same question and so I felt obliged to find out.

The simple answer appears to be an "animal nappy" and I therefore presume that the bag to be used for straining the cider would be a new item rather than a second-hand one and was chosen as its material and its straining properties were ideal for the task in question.

A search on Google tells me that you are currently able to buy "dung bags" for your dog and that in cities in Canada, it is illegal to ride your horse on a public road without a "dung bag" being fitted. This even applies to the Royal Canadian Mounted Police. Other animal references found included donkeys and camels. It also appears that to call someone a "dung bag" is derogatory.

RE-INSTALEMENT OF THE BITTAFORD MILEPOST

The Halsgrove Book of Ivybridge contains a photo of an iron milepost, which had since disappeared. However, a chance encounter in Bittaford by Tom Holway and subsequent communication with the Milestone Society has revealed that the post had been removed by Council contractors doing roadworks and had been in store at the Council Maintenance Depot for some time. It has now been refurbished by members of the Society and will be replaced by the Council on the south side of the road between Skew Bridge and the Bewley site in the near future.

From 1767, it was compulsory to install mile markers along all turnpikes, not only to inform travellers of direction and distances, but to help coaches keep to schedule and for charging for changes of horses at the coaching inns. Most mileposts were removed, buried or defaced during the second world war to baffle potential German invaders and not all were replaced afterwards.

There were four of these cast iron mileposts in Ugborough Parish, showing the distance to Plymouth. The 14 mile is on the SW corner of the road over the A38 at Wrangaton (badly in need of re-furbishment), the 13 mile is the Bittaford one, the 12 mile was opposite the Western Machinery works at Cantrell but that has disappeared, and the 11 mile is near the entrance to Torr House in Ivybridge, an area which was originally in Ugborough parish. The Ivybridge one is shown as a grade 2 listed monument and so we will have

to check up on the status of the remaining Ugborough signposts. Other mile markers in the parish are all made of stone.

The maintenance of milestones now normally falls within the remit of the local highways authority or the Highways Agency.

(Editor's newsflash!- the milepost was re-installed in Bittaford just east of the Bewley's site, on Tuesday 19th. October.)

SPORTS REPORT- Janner Motson

RUMOURS OF ROONEY

Word on the Fore Street is that Rooney is being lined up for the Uggies as he seeks a club with real ambition. Known to be dismayed at the lack of pulling power at Old Trafford, it is thought that Rooney has been in talks with officials of the biggest club in the Parish. Sports Report has been told that his agent was seen at the weekend, wearing a hat and slumped by the Village Hall, but this has not been confirmed. When quizzed, Chairman Billy Bremner-McKenna said that he could not guarantee to maintain Rooney's United wages, but hoped that he could bung him half a pig and 2 tickets to Plainmoor. We await developments.

On the field we have seen excellent weather and immense character from the U10s, who had a winning draw against top of the table Roselands, whilst the U8s are starting to grow into their task - literally! They had a very good win against Totnes, but things look tougher at the end of the month when they entertain the phenomenal Plymstock - one not to miss. The U12s have really enjoyed their football, but could not shake off their bogey team, WBB, who contrived a 2-4 win against the run of play.

The fantastic weather drew out large crowds last week and there is talk of a new stadium at Uggie Park. Chairman McKenna said that he wanted to go all-seater, but that when he asked the fans they said that they wouldn't stand for it!

South Hams District Council Chairman Cllr John Baverstock opened the October Parish Council meeting with a discussion of his role within SHDC and the likely impact of the Localism Bill. He also thanked the Parish Councillors for being the 'eyes and ears' of the community.

The Police Report was given by WPC Hopper who warned that, with the value of metal rising, incidents of theft were increasing. A new online facility to report 'minor' crimes was now available at <https://services.devon-cornwall.police.uk/crimereporting> - although emergencies should still be reported by calling 999.

Following complaints about motorbikes speeding through Bittaford late in the evening, Cllrs Daniels and Taylor offered to set up a Community Speedwatch, which would record details of speeding vehicles and warnings would be issued. If you would like to help, call Sue Daniels on 01752 690130 or Rebecca Taylor on 01752 698707.

The proposed Ugborough Primary School federation with Ermington School was explained by School Governor Ian McClure and Parish Councillors supported the move as both schools had the same ethos, were evenly matched and already had a high level of contact.

The Licensing application at Moorhaven Clubhouse prompted a number of complaints from Bittaford residents. Concern was raised that it would have an adverse effect on existing businesses and community facilities in the village by providing competition; traffic along the already congested Bittaford Hill would increase; and if an extension of time was requested after 11pm, nearby housing may suffer disturbance. These comments have been passed to the Licensing Authority.

The South Hams Site Allocation Development Plan Document and the Inspector's Hearing caused quite a reaction from Parishioners. Tall Oak Homes had proposed a development of 45 dwellings, public open space, a village car park and footpath/cycle access to the village centre, with access to the site through Undertown. Following representations from a number of parishioners, the Parish Council has submitted a response that the proposed access through Undertown would only make an existing traffic problem worse and has suggested that access onto Whitehouse Hill would be preferable with, in the long run, a route around the back of the school to the northern edge of Ugborough. The time limit for submissions has now passed, so we will have to await the Inspector's decision.

The Mobile Library Service will no longer visit Bittaford from January 2011 because of lack of demand. However, those members of the community who are physically unable to travel to Ivybridge Library may be eligible for the Home Library Service, where a WRVS volunteer will deliver books directly to their home. Contact Devon Libraries on 0845 155 1001 for more details.

A Parish Councillor vacancy has arisen following the resignation of Cllr James Bremridge, who has just embarked on an exciting four month sailing expedition to New Zealand. Becoming a Parish Councillor can be interesting and rewarding - and training is available. We are hoping to fill the vacancy at the December Parish Council Meeting and it is likely that the appointment will be made by co-option. If you wish to be considered or have any questions about becoming a Parish Councillor, please contact the Clerk or Chairman Tom Holway on 01752 893114 by Tuesday 30th November.

Planning Applications No objections were raised to the proposed greenhouse at Owley Farm, Wrangaton, or works to trees at 6 Lutterburn Street, Ugborough and Lower Lords Wood, Bittaford. Mammoth Trees has recently

acquired the Old Dene Nurseries Site on Wrangaton Road, South Brent, on which they intend to accommodate their expanding tree nursery business - an internet and mail order business. As part of this process, they had submitted planning applications to repair and recover two existing polytunnels, erect a wooden hanging business sign and provide a new access track - all applications received Parish Council support.

The next Parish Council Meeting will be held from 7.30pm on Thursday 11th November and you are welcome to attend and ask questions at the start of the Meeting. Agenda and minutes of meetings are displayed on the Parish Council noticeboards and on the website, www.ugboroughparishcouncil.gov.uk

EVERYONE WELCOME

St Peter's Church, Ugborough

My dear Friends,

November - the month of the last falling leaves, bonfires, fireworks, Christmas cakes-and-pudding-baking, central heating cranking into another season's operation, poppies and remembering.

Memory is such an important part of our being human, reminding us of our origins and the people, places and experiences that have made us what we are. That is partly why dementia is such a sad condition for the sufferer and their family and friends, because some of those factors have been irretrievably lost.

Most of us need some props to aid our memories, which is why letters, mementoes and photographs are so important; they not only help us to remember, but also make it possible for us to pass our family history on to the next generation. When people have to leave their homes in dreadful and dramatic circumstances, it is usually their photos that they desperately try to take with them.

Remembering is often tinged with sadness - for people no longer around, places we can no longer visit, experiences we can no longer look forward to, abilities we no longer possess as the ravages of time begin to take effect, things that have been destroyed.

The Church recognises these emotions and the deep human need there is to remember consciously and formally in the liturgies it provides for November, the time we call The Kingdom Season. This is when we celebrate our oneness with those who have gone before, those we continue to love, though we see them no longer, those whose memories we honour and cherish.

Very obviously this is true on Remembrance Day - you can see the times of services elsewhere in these magazines. We also have an opportunity to remember, pray for and celebrate others who have departed this life in the special service at 3.00 p.m. on October 31st at All Saints, Moreleigh.

The sadness of our losses does not diminish the joy we feel as we remember all God's saints - people like us who were subject to the same temptations and pressures, and who coped through faith in God the Father who loves each one of us, in Jesus Christ, whose cross reminds us of God's forgiveness and in the Holy Spirit who continues to strengthen us on life's Pilgrimage.

May our season of remembrance inspire us all to live in God's way of faithfulness and love, forgiveness and joy.

Caroline

Operation Christmas Child 2010

Following the success of our previous campaigns, the Ugborough Youth Group and St. Peter's Young Church are working together to collect Christmas Gift Boxes. The gift boxes are shoe boxes that we fill with (new) toys, sweets, toiletries, cuddly toys, stationery and other gifts. We wrap them up in pretty paper and send them to children around the world who are victims of war, poverty, famine, disease and natural disaster.

The appeal will be launched at the All Age Service in St Peters Church on 7th November. We will be filling the boxes between 9.30 am and 12 noon in the village hall on Saturday 20th November and having them blessed on Sunday 21st November before they are dispatched.

Please can you help us with:

1. Filling a box and bringing it to the Church by 9.30 am on Sun 21 Nov
2. Donating gifts for us to place in boxes
3. Helping us make the boxes in the village hall on Sat 20 Nov
4. Making a financial contribution to help pay for postage

Please call Charlotte on 07595 832847 if you have any further questions regarding the campaign
