The children have had a great time over the last few weeks getting stuck into making mud pies and potions in the field kitchen, colour-mixing paints, choosing fruits to make smoothies and making quiches. The children love these hands on, messy activities and as parents, we are delighted they do this at pre-school so we don't have the clearing up to do at home! Cooking together is also really helpful for encouraging the children to try new foods; they have at least 2 fruits or vegetables to try at each snack time.

You will have seen our posters around the parish for Ugifest on 25th June at Hillhead farm. "The Longfaces" are playing again alongside "The Swing Thing" and there will be food and a bar. We are grateful to a team of past and present parents for their help in organising the event. Tickets are selling fast so please let me or pre-school know if you'd like some ASAP.

Ugborough Local History Group- Merryl Docker

Following our AGM in May, we have now closed for the summer months. At the time of writing, I am arranging an outing in June for members only and will send an email to all when I have finalised a date, time and of course place.

Have a wonderful summer and I look forward to seeing you all again when our new season of talks begins again at the end of September.

Ugborough Parish Walking Group- David, George, Meryl and Tom.

The walk last month took place despite only 5 of us turning up.

We had a really pleasant walk along the upper path through Lady's Wood where we sat and admired the swathes of bluebells.

We continued on up to East Peek then out onto the moor to the Glaze Brook.

We returned via Owley Gate and back through Lady's Wood where we enjoyed the bluebells from the lower path and then walked under the old viaduct.

Please note there will be no village walk in June, July and August and we continue our exploration of our footpaths on the first Sunday in September.

Beryl's Bookworms - Joan Fletcher

The Buried Giant by Kazuo Ishiguro was our book for May. Axl and Beatrice are an old Briton couple living in a time when people seem unable to remember the past. They have fleeting and misty memories of their son and set off on a journey to visit him, on the way becoming involved with a Saxon warrior called Wistan, an elderly Sir Gawain and a Saxon child called Edwin on the run from his village. Axl and Beatrice are gentle and loving with each other because it's impossible to hold grudges when incapable of forming and recalling memories. The collective amnesia keeps the peace as enables past battles to be forgotten.

The book seems to be about the duty to remember and the urge to forget. Ishiguro's unspoken question is whether this collective amnesia can be justified or whether it is better for people to face up to the truth of past deeds even if it brings vengeance. The Buried Giant is an allegory for the buried hatchet.

The Buried Giant is also a story about long love and coming to terms with oblivion as even the most precious memories end up vulnerable. In some ways it seems like a children's fable written about old age.

On the whole members of the group were put off by the fantastical world of dragons, monsters and sorcery, although there was an acknowledgement that the author had written a mythical fable in order to illustrate the central allegory. Unfortunately, the central theme became lost for many of us amongst the sword and sorcery.

Scores out of 5 from 0.5 to 3 - average 1.5.

Next month: All the Light We Cannot See by Anthony Doerr

Rainfall at Shellwood Hill *George Arnison*

In April I recorded 70mm (just under 3") of rain at Shellwood Hill, which compares to the last four Aprils of 22.5mm (2015); 112.5mm (2014); 65.0mm (2013) and 200.5mm (2012)...but is about average for April over the seven years I've been keeping records.

Ugborough Village Hall - *Stafford Williams*

The Hall Committee held the AGM in May and it was attended by at least 8 people. Those there agreed to an increase in the minimum hire charge of £30. The accounts showed a solid performance, but increased costs were noted as was the need to seek funds for significant repairs and refurbishment. The purchase of new chairs and tables had been the biggest expenditure in the past year.

A new Public Benefit Report was prepared for the meeting and this will be available with the minutes shortly.

Your Stars Tonight. "I really don't think that that is suitable for the Ugborough Parish newsletter" splutters the steamed dieter as she wrinkles her nose as she peruses my scribbled notes for this month.

try to defend the freedom of the press and argue that anyway it is not my fault that star gazers' mythology is dripping with mayhem, licentiousness and just plain yobbish behaviour. As always I am given very short shift and ordered outside - condemned to the darkness of midnight at the bottom of the garden.

As I gaze at the sky I ponder the life of Ariadne - for it is she that has brought discord into the editorial nest. For there high in the sky at this time of year is Ariadne's crown - the constellation of *Corona Borealis* placed in the sky (or so the Greeks believed) by Bacchus to comfort Ariadne after she had been deserted by Theseus, her live-in lover. As daughter of Minos, the king of Crete, she had been top warder of the labyrinth, where annually seven young lads and seven young lasses from Athens were sacrificed to the Minotaur. This plot line develops into something far more lurid than the average episode of Cell Block H (brief nod to its creator Reg Watson who died recently). What I had not previously realised was that the Minotaur - half man, half bull - came from one of the Queen of Crete's unmentionable nights out. Not surprisingly Ariadne wanted to escape such a dysfunctional household and anti-social career. Assisting Theseus in his escape from the labyrinth and then eloping with him to Naxos seemed to offer a way out. Alas, when Theseus found she was already married, he abandoned her and it is hardly surprising that this story had no happy ending. It depends on your choice of narrator but either she hung herself, died in childbirth or was murdered. An awful warning to us all - especially if you have a crush on any itinerant Minotaur slayers.

And her crown is in the June sky - an attractive semicircle of 7 stars high in the sky when facing south at midnight and roughly spanning the apparent width between forefinger and thumb at arm's length. Once you can identify Corona Borealis it becomes unmistakably recognisable and acts as a good marker from which to explore the rest of the summer night sky. Immediately to its right is Bootes, the Herdsman, anchored by the bright orange star of Arcturus, now the brightest object on the sky, while to the left is the (roughly) square body of Hercules. Let the eye carry on eastward and there is the Lyre with the steel white star Vega challenging even Arcturus in its brightness.

But try as I may, I cannot see a pattern of stars recognisable as a steamed dieter

'Our Outdoors' - Clive Hart

As a Parish Councillor, having seen the plaques in Ugborough Square, I decided to look into what winning the Best Kept Village award entailed and whether entering the competition could be resurrected. However, I wanted to look at it from the perspective of the whole parish and not just Ugborough Village.

I discovered that the competition was run by the Campaign for the Protection of Rural England (CPRE) and in fact had been recently replaced by a new competition entitled 'Our Outdoors'.

Rather than being based on a village as a whole, this competition focuses on particular projects carried out by the community that relate to the 'Great Outdoors'. There are three categories (*only one can be entered at a time*) namely:

- Most creative and distinctive planted outdoor space
- Most improved and innovative outdoor location (before and after)
- Our outdoors as a special sustainable place in the community

There are two elements that determine the award winners. Firstly, there is a **Profile**, split into five sections and written by the entrants themselves, to describe their entry. Secondly, there is a **Judges Inspection** that looks at the Profile in conjunction with a visit to see the entry.

There are three trophies, based on community size, >500, 150-500 and <150 and the prize is free membership of the CPRE for one year, a certificate and a cheque for £200. The closing date for entry this year is 30th June.

Whether we enter the competition or not, my thoughts are that this is an opportunity to bring the community together in different ways throughout the year to make the best of what is already a beautiful parish. With the support of my colleagues on the Parish Council I have secured a small fund to help with getting any projects that meet the criteria 'off the ground' and this could be increased with fund-raising activities that, most importantly, would bring people together for a positive purpose.

I already have one suggestion from a parishioner and if anyone has any ideas or just wants to play an active role in the community please contact me, either through the Parish Council or via email (cwjhart@sky.com)

Ugborough Flower Festival

I'm sure there will be more to say in next month's edition, but very well done to everyone who was involved in this amazing community event. The displays were so impressive and creative, and the whole atmosphere was truly wonderful. Thank you so much for all your hard work.

Sports Report - Janner Motson

We are on our way to Wembury, we are on our way to Wembury, la la la la, la la la! And so on. That was the chant at Uggie Park for the final game of the season when the U14s entertained Kingsey in the semi-final of the South Devon, West & South West Reserve Team, Junior, North Division, Senior Colts Second Team Alliance Cup. However, dreams were shattered by a late 14 goals by the opposition to send the home fans back from Hillhead Cross to lick their wounds. Despite Mc of the Match Dardy having a blinder between the sticks and Clubman of the Yec Cam H coming close, but not that close, the only cheer was the thoughts that the team could still go to Wembury for the beach.

Elsewhere, the cricketers only lost by 75 runs in a narrow encounter at Yealmpton. Putting the home side in on a flat mat the Uggies skipper regretted the gamble as catches were fumbled and the out of practice bowlers toiled in the heat of a cold spring evening. Chasing 138 the only resistance came from the youngsters Sam I and Tom F with the experienced players all getting starts but not converting these into...well any runs really. Speaking in the pub afterwards team manager Jerem Hobart told Sports Report; "I will be looking seriously at selection [from the menu], but let me finish my pint first" - a serious time for Ugborough Cricket!

The Annual Parish Meeting was held on the 20th April in Bittaford - which is held for residents to have their say. Most of the issues raised related to the highways, in particular the flooding and ice on the A3121 at Ludbrook, the traffic hazard to school children on Bittaford Hill and speeding in Bittaford, Moorhaven and Ludbrook. The Meeting made a resolution to ask DCC for an extension of the 30mph speed limit to beyond Skew Bridge, which would make it safer for children accessing the swimming pool at Highbanks.

Once again, the need was expressed for a warning sign on the bend at the Ship Inn, indicating the turning. DCC cannot afford a new sign, but will provide a replacement - but only if someone will confirm that the original sign is missing. If you can remember a sign being there, please tell Cllr Hosking or Cllr Holway.

Glowing reports were received at the meeting, from Bittaford and Ugborough village halls, the preschool, Moorhaven Management and local sports groups, and an update was given on the Neighbourhood Development Plan. DNP Ranger Ella Briens explained the role of the ranger, which included arranging archaeological working parties at Glascombe Corner, and activities for Junior Rangers - have a look at <http://www.dartmoor.gov.uk/funzone>. Uncontrolled dogs on the moor continue to be a problem and should be reported - phone the Dartmoor Livestock Protection Officer on 07873 587561.

Proposals for enhancing our villages were discussed, with a view to entering 'Our Outdoors', which replaces the Best Kept Village competition. Funding is available from the Parish Council, and more details will be published in the newsletter.

The Annual Parish Council Meeting preceded our normal meeting on 4th May, in which arrangements were made for the following year. Cllr Beable continues as the

Chairman, with Cllr Hutcheon Vice-Chairman, and all the Councillors assigned 1 specific responsibilities. Meetings will continue on the first Wednesday of the month (second Wednesday in July, to avoid the Fair)

DNP Member Cathie Pannell discussed Dartmoor matters at the start of the Parish Council Meeting, and some funding may be available for local projects. blocked leat above Moorhaven was causing flooding and damage along Leigh Lane which the Clerk would report to Ranger Ella Briens.

A Broadband Voucher Scheme has been launched, which may be available for residents and businesses whose speeds are below 2Mbps, with the aim of improving Broadband speeds to a minimum of 10Mbps. The vouchers of up to £500 can be redeemed with one of the suppliers listed on <http://www.connectingdevonandsomerset.co.uk/cds-broadband-voucher-scheme/>

The Neighbourhood Plan consultation had now ended, and the Working Group were considering the responses.

Two previous planning applications were considered at the meeting, with a change in the Parish Council recommendations: Two stables, rather than the proposed 4, would be more appropriate to the size of the field to the south side of Quillet, Wrangaton; and Councillors supported the revised scheme for change of use of agricultural building to light industrial at Cutwellcombe Farm.

Works to the retaining wall opposite the Horse & Groom in Bittaford are due to start this summer, and the bus shelter will be temporarily relocated along the road. This would be a good opportunity to replace the bus shelter, which has seen better days, and the Parish Council will be looking into sourcing a replacement.

The Ivybridge & District Community Transport Association received a grant of £180 from the Parish Council. This scheme provides transport for journeys to hospital appointments, doctors, dentists or just to visit friends. Volunteers use their own cars to transport passengers, for which they receive 45p per mile to cover the fuel and running costs of the car. The charge is 65p per mile for return journey, or 90p per mile for one way, with a minimum charge of £3. To book a car, ring the co-ordinator on 01752 690444 between 9 a.m. - 12.30 p.m. Monday to Friday, or leave a message and someone will get back to you as soon as possible.

A Carers Roadshow is being held at the Watermark on Referendum Day 23rd June 2016. Drop in and have tea or coffee and cake - find out what is available and explain your needs. For more information go to <https://new.devon.gov.uk/haveyoursay/consultations/carers-services/>

The 2015/16 Accounts were approved at the Meeting, prior to their submission to the auditor. Over the year, the Parish Council received £33,101 and spent £30,230, leaving net receipts of £2871. Much of the increased receipts and payments related to TAP projects and Neighbourhood Plan preparation, which were grant-funded. Full details of the accounts are available on the noticeboards and website, ugboroughparishcouncil.gov.uk

The next Parish Council Meeting will be held on Wednesday 1st June, starting at 7.30 p.m. Agenda and minutes are displayed on the noticeboards and website.

St. Peter's Church, Ugborough

In this month of celebrations and events within our Mission Community we will join with people around the world to celebrate the Queen's 90th birthday. On 11th June our Queen celebrates her official birthday and many churches in the Church of England will be marking this occasion at their Sunday services on 12th June. The churches in our Mission Community that day will commemorate the Queen's birthday and tea and cake will be served after the services. The Queen is a wonderful example of service and as we celebrate her ninety years I believe we are challenged by the question, 'Am I a willing servant committed to the welfare of others?'

On behalf of the PCC's, may I offer an open invitation to people living and visiting the parishes to visit one of the below mentioned church services and join with us to give thanks for Her Majesty's loyal service and commitment.

Like good stewards of the manifold grace of God, serve one another with whatever gift each of you has received. (1 Peter 4.10)

Please feel free also to use this prayer

Heavenly Father,
as we celebrate the ninetieth birthday of Her Majesty the Queen,
receive our heartfelt thanks
for all that you have given her in these ninety years
and for all that she has given to her people.
Continue, we pray, your loving purposes in her,
and as you gather us together in celebration,
unite us also in love and service to one another;
through Jesus Christ our Lord. Amen

A very Big Thank You, for all who took part in our Archbishop's initiative 'The Kingdom Come' and spent time at the prayer tables in our Churches around the Mission Community.

As we draw to the end of this year's Christian Aid Week, our 'Prayer Tables', will be focusing on our call to serve others, please take time to use them.

St. Peter's Gift Day

St Peter's Church Services in June

Date and time	Service
Sunday 5 th June 9.30 a.m.	All Age Worship
Sunday 12 th June 11 a.m.	Sung Eucharist (Celebration of the Queen's 90 th birthday)
Sunday 19 th June 9.30 a.m. 3 p.m.	Family Communion Armed Forces Day service (see below)
Sunday 26 th June 11 a.m.	Sung Eucharist St Peter's Day
Every Tuesday at 9 a.m. (not school holidays)	Celtic Prayer

This year Armed Forces Day will be held on Saturday 25th June with the National Events being held in Cleethorpes in Lincolnshire. The National Event is held on the nearest Saturday to the anniversary of the first presentation of the Victoria Cross in Hyde Park on 26th June 1857 by Queen Victoria.

This will be the culmination of a week of events held throughout the country which helps to raise public awareness of the contribution made to this country by those who serve and have served in Her Majesty's Armed Forces. It gives the nation an opportunity to show their support for the people of the Armed Forces Community which consists of serving personnel, their families, veterans and cadets.

For the 7th year running the Parish Church of St Peter's, Ugborough will be conducting a service on Sunday 19th June commencing at 3 p.m. to acknowledge the contribution of our own large Armed Forces community that live, work and play in this rural parish of ours.

Unlike Remembrance Sunday when we commemorate our war dead, Armed Forces Sunday is an opportunity to celebrate all those that have served, or still serve, our nation. So whether you are a veteran, or a relative of yours served in uniform, on behalf of the church community I invite all who live in this wonderful parish to this special service of celebration and hope that serving members will wear their uniforms with pride and that veterans will don their regimental ties and medals once more so that young and old can mark you all out from the crowd as someone who serves / served. If you have your relatives medals languishing in the back of a drawer, pull them out and wear them also (on your right breast).

Hope to see many of you there. *Taff Jones*
