Let's get this mobile library on the road

Help us to continue to bring books and a lifeline to 80 rural communities in South Hams and West Devon.

We've found a second-hand van to replace Gertie, our much-loved mobile library. It urgently needs to be renovated to meet the needs of the communities that use our mobile library. We need to fundraise £15,000 to help get this new mobile library on the road.

Donate to this essential service and keep the mobile library going for future generations
