Ceremonial flying of the Flag. The flag will be flown on the following occasions -

April 21st- Birthday of Queen Elizabeth II

April 23rd- St. George's Day

Ugborough Fair Committee.

The Fair this year will be held on Saturday 14th July.

There will be a "garden on a plate" competition (fruit or vegetables) for the younger members of the village (under 16) so start planning your design now!

Also we would very much like some of the young musicians in the village to play during the day of the Fair. If interested please contact Linda on the number below.

The programme is also under way and should you wish to place an advert in it, Neil Gillard is the one to contact.

Contact Neil at Gillardmotors@mots4u.fsworld.co.uk. to see your business advertised in the programme. This is promoted locally in the run up to Fair week as well as given out on Fair Day. An excellent way to support the Fair and to get your business noticed!

We all know what a wonderful event the annual Fair week is- the sense of community it can bring to the village, with everyone coming together to enjoy the football, the skittles, the entertainments, the stalls, the music and one another's company, not to mention the sheaf tossing! What an asset this kind of community spirit is, especially in times like these when most are feeling the pressures of the economy and busy personal lives!

Maintaining this year on year however takes organizing and to that end the Fair committee is in real need of new members! The commitment is not a large one, but the more people there are the easier it is to run.

We currently need a treasurer as well as more committee members. If you can spare an hour a month up until June, then two hours a month until Fair day, we would be DELIGHTED to welcome you on to the committee. If you feel you would like to be part of maintaining this community event, please call Linda Gibson on 01752 892320, or come along to the next meeting.

Tuesday 17th April at 7pm in the room above the village hall.

Garden Club *Anne Holway*

The next Garden Club meeting is Thursday 12th April at 8 p.m. at the Old Post Office. This month the talk will be given by Oliver Sanders, on his nature conservation voluntary work in the Ecuadorian forests last year.

Ivybridge & District Inter Parish Quiz *Tom Holway*

After a hard fought contest, our gallant team were beaten by just 2 points by Brixton in the first round. We now go in to the Ken West Plate contest and play Bigbury at 8:00pm on Wednesday 4th April in the Bigbury Memorial Hall (turn left at St Anne's Chapel and then first right), supporters welcome.

Newsletter Coffee Morning *Anne Holway*

You are invited to a coffee morning at Anne's house, Virginia Lodge, on Saturday 21st April from 10:30 to 12:30 with raffle and bring and buy. All proceeds for the Parish Newsletter.

Ivybridge U3A - Doreen Flood

Ivybridge U3A monthly general meeting for April 2012 will be held in the Methodist Church, Fore Street, Ivybridge on Monday April 23rd at 2pm. The speaker will be Judy Pride - 'Children's Hospice South West'

Ugborough Parish Walking Group *Merryl Docker*

Hopefully, one month soon I will be able to re-join you all on the rambles around the Parish when I eventually get my back seen to. Hope you have been able to get out and about to enjoy the snowdrops and primroses - what a beautiful display!

What will we find on the April walk? More signs of spring bursting through? We have certainly had plenty of sunshine to encourage new life and growth. Meet in Ugborough Square at 10.45am on **Sunday 1st April**. Everyone welcome including your doggie friends. See you soon.

Every Thursday morning between 10 and 12 the Drop-In Centre is open in Ugborough Church serving coffee/tea/biscuits and cake.

It's a great opportunity to meet up with friends and neighbours.

Remember, you can now do your Post Office business at the same time!

Do support this exciting development!

Ugborough and Bittaford Pre- School. Naomi Williams

March has whizzed by and Easter is fast approaching! On 1st March it was "World Book Day" during which children dressed up as characters from favourite stories, and parents were invited to come in and share a story with everyone. It was also St. David's Day and we were delighted to have one of our parents in to read an Elmer story in Welsh, which she translated in to English as she went, and had the children captivated. Thank you for all the local support for "The Family Bake Off" held on 18th March; hope you enjoyed sampling the delicious cakes during the afternoon with a cup of tea. April will be quite a short month at pre-school as we are closed from Monday 2nd for the two week Easter Holidays and return on Monday 16th April. We will be back in time to celebrate St George's Day with the children, when we plan to be making flags, building castles for the brave knights to protect and going on a dragon hunt! Pre-school continues to visit the primary school on a Monday morning and join the older children for lunch in the school hall on a Monday and Wednesday dinner time, which are both fantastic learning experiences for the children and they have quickly settled in to the routine.

Ugborough and Bittaford Pre-School welcomes children all over the area from 2 years old to school age. We fill these precious years with fun and friendship in a stimulating, well-resourced environment and our activities in the pre-school are reinforced by close daily communication with parents that succeeds in achieving the best outcome for the child, and their family. At Ugborough and Bittaford Pre-School we offer an experience that has been judged "Outstanding" by Ofsted in March 2011 who awarded us this standard in every single category. We are open term-time only on Monday, Wednesday and Thursday between 9am and 3pm, and on Tuesday and Friday between 9am and 12.45pm. Likewise, the Toddler Group meets on Monday between 10am and 11.30am. For more information on the pre-school please call Tania/Naomi on 07763 215455 or phone Sara on 07739 826422 for Toddler Group enquiries.

Or please visit our website www.ugboroughandbittafordpreschool.org.uk

An Ugborough resident is looking for places to use his new metal detector - do you have a garden or land where you suspect previous settlement or activity? Adrian Taylor is an enthusiastic amateur novice and keen to delve back in time in our local history.

Adrian would love to hear from you on 01364 72069 - he promises to show you everything found and is very tidy!

Our children have been out and about doing what they do best which is performing! For those lucky few who were able to see the concert at the Watermark, it was simply amazing. Our children were fantastic and gave a 110% on both nights. The schedule was intense and we had to ask a lot of parents, family and friends to get the children to rehearsals and the actual performances. All the hard work paid off with a sparkling performance all round. Trish White, Ingrid Vosper and Bridget Polglase must take high praise for their involvement as they gave their time, energy and ability to inspire so willingly. We are so proud of you all!

A big thank you to the Friends who funded the Lego workshop in March with money raised from the Seed Project last year.

Dates for your diary- Monday 16th April- Back to school

Monday 7th May - May Day Bank Holiday, w/c 14th May - SAT's Week

Friday 25th May - Joint concert with the Tamar Male Voice Choir in Ugborough Church - more information to follow

We are delighted to report that a former Ugborough pupil, Chantelle (Pierre's sister), has gained a place in the English Youth Ballet production of Giselle. Congratulations Chantelle - a fantastic achievement.

Tesco Vouchers

Once again we will be collecting Tesco vouchers so please ask your friends and family to save them for us! Collection box is in the office.

Friends

A big thank you to everyone who supported the "Chocolate Bingo" event - a total of £172.20 was raised!

Ugborough Village Hall *Stafford Williams (Secretary)*

There has been plenty of effort to reduce the impact of the damp at the rear party wall, which has affected the playgroup cupboard. Whilst some improvement is evident, it is likely that a rebuild of the cupboard will be necessary to resolve the issue in the longer term. Such a big job will require fundraising and some disruption so the work is some time off yet.

It may be useful to remind everyone that although the Hall is licensed for entertainment, there is a need to obtain a Temporary Events Notice if you wish to sell alcohol. This is arranged between the hirer and the South Hams District Council, but we require that you let us know on the hire form if you intend to apply for one as we are only allowed 12 per year.

Book Lovers *Anne Nonymous*

The Reader by Bernhard Schlink.

The Reader is a brief tale about sex, love, reading and shame, in post-war Germany. The story relates how a young boy of 15, meets an older woman and a love affair ensues. Although they meet for some time, he doesn't learn very much about her, but is devastated when she disappears out of his life. Some years later they meet again, when the woman (Hanna) is on trial for war crimes. Although the film was widely acclaimed, I didn't see it, so was surprised by the background to the story and how it panned out. It seems that Schlink is attempting to breach the gap between Germany's pre and post-war generations.

The story blanket by Ferida Wolff and Harriet May Saritz.

Charmingly illustrated by Elena Odriozola, giving the book a timeless folk tale quality.

Babba Zarrah has a beautiful woollen blanket, which children love to sit on to listen to her stories.

When Babba realises her neighbours need new clothes, she unravels her story blanket in order to knit the things they need.

A delightful book for children of all ages. We are never too old to learn about the beauty of sharing and how that gift can come back to us many fold.

Comes highly recommended by grandson aged 5.

Ugborough Local History Group *Merryl Docker*

Join us on **Wed 25th April at 8.00pm** in **Ugborough Village Hall** when our friend Valerie Belsey (our entertainer at Flete House last November) will visit us again with an illustrated talk on **Highway History**. This will continue the theme she began a year ago with her most interesting talk on the history of local green lanes. At the end of that talk she showed us a tantalising glimpse of her collection of street furniture photos. We were so keen to learn more about the highways we spend many hours driving, that we have invited her back for more! We take our highways and byways very much for granted. If you want to know more about their fascinating past then come along and join us. Non members always welcome ~ just £1 on the door.

SPORTS REPORT - Janner Motson

LATE SKI RESULTS HIGHLIGHT UGBOROUGH TALENT

The excellent snow conditions this year saw the local talent excel at the Ugborough Ski Championships. Les Ballons d'Or trophy went to Jakey Jake Jakobson, who showed his Nordic roots, by cracking the black run by the end of his first week on skis. He told Sports Report; "I didn't know where we were going, but I just closed my eyes and pointed downhill".

In the Freestyle section Hannah and Ella of Team Extreme performed well, particularly off-piste where they opened a new double-black rated route down 'Hannah's Hollow'; a section so dangerous that no local skiers dared to follow. Winner of the Powder Hound Trophy was Sammy 'Triple S', who never missed a training session, thrilled the crowds with his tricks amongst the trees and dominated the snow so deep that it reached above his knees.

Away from the slopes, Delia Detha won the Masterchef competition, producing so many curries that everyone had a different one each. In the Curling the boys took gold...and silver...and bronze, with the girls nowhere in sight, except when it came to gluhwein and heisse chokolade. Lynsey and Ellie entered the Husky race only to topple at the first bend; rumours abound that Bonnie and Florrie will be hitched to a go-kart in the spring to better prepare for next year.

There was drama in the waterslide toboggan, where the judges were unable to separate the very competitive Sven Huge and Sharonovsky Hugs over the new elite course. After crushing or drowning all the opponents, mainly 12 year olds, it was neck and toe to the finish. In the end the judges decided to award them the 2-man Bob trophy instead.

The Ring & Ride calls into Ugborough every Thursday and can pick passengers up for Ivybridge or Tesco's to do shopping. This is a door to door service, picking up about 10.15am and you have about 2 hours. The cost is £2.00 return and because you do not have a bus service in Ugborough, any one in Ugborough irrespective of age can use the service.

Also once a fortnight we have trips further afield like Tavistock, Newton Abbot etc. These leave just after 09.00am and back home about 2.30pm. The cost is £4.00.

Any one wanting to use the services needs to book in advance.

Next block of trips coming up are,

13th April --- Paignton 17th April --- Tavistock

11th May --- Looe 25th May --- Newton Abbot

Rainfall at West Cannamore, Ugborough, 510 ft. above sea level

Thanks to Len Wakeham for this detailed record.

Total for month=57.5mm=2.26inches.

For interest, last February the total was 162.5mm (6.39 inches.)

And in 2010 the totals were 144mm. (5.66 inches)

Apologies to Len that last month's graph was not clear. It looked fine on the screen!

Your Stars Tonight.

I find the steamed dieter animatedly talking to her lap-top. "We must protect and enhance the Ugborough brand - especially as we are now the centre of media attention - front page of the South Hams Gazette and prime time TV - it's exposure that Lady Gaga would die for. We need to brainstorm exciting new ideas to keep us in front of our target audience - perhaps the Gardening Club could do a topless calendar". She glances up from her Skype Video Conference and remarks to the unseen audience "I just hope the media don't ask to see his cornucopia of planets".

Alone in the dark I settle down to gaze at the sky - indeed my cornucopia of planets is beginning to fade like Mothers' Day flowers. In March, Jupiter was above Venus and just a little less bright but it has slowly dropped below Venus and is fading fast - especially compared with the brilliant Evening Star in all its glory. By Mid-April it will disappear into the dusk while Venus continues to brighten and climb higher in the sky. The ancient astronomers called planets the "Wanderers" because they move across the backdrop of constellations and on 3rd April there will be an unusual spectacle when Venus just clips the edge of the Pleiades star cluster - well worth popping out to view about an hour after sunset. Mars is high in the southern western sky and has just passed its maximum brightness as it reached its opposition when it was closest to the earth. In the coming months it will fade and then disappear into the sunset.

At this moment my ruminations are interrupted by a raucous croaking and my torch illuminates the pond which is full of lusting frogs and toads. I give them a cheery wave - it's so good to have them back again after the long winter. And my mood is lifted even higher as I spot Saturn just a hand's width above the Southern horizon. With the bright star Spica it makes a parallel line to the horizon. Saturn is a "must see" through binoculars (or even better a telescope) as its ring is now tilted at quite a high angle and it is always a wonderful and rather surreal sight.

My phone rings and it is the steamed dieter. "Brian Cox and the Sky at Night team are here to audition you for Village Astronomer of the Year award". I rush indoors - my fifteen minutes of fame are within my grasp! As I blink in the light of the kitchen she chortles "April Fool".

The Police Report for February was full of good advice. Residents were urged to display 'No cold caller' stickers if they did not want strangers knocking on their door. These are available from Crime Prevention - call 101. PIN numbers and bank account details should never be revealed to doorstep callers.

Responsibilities for overseeing parking issues were clarified: The Police deal with complaints concerning vehicles causing obstruction or parked in a dangerous position; whereas the local council deals with parking on yellow lines, on-street pay & display, clearway offences, limited waiting times and residents' parking issues.

An opportunity to 'have your say' is available at www.devon-cornwall.police.uk - follow the links to the local police, then select 'Tell us your priorities'.

Community Messaging is being promoted to make the community a safer place, and provides a way for the police to contact you to pass information on or to appeal for information. Contact is made by phone, fax or email, and it's free and easy to join - go to www.devon-cornwall.police.uk and enter 'community messaging' into the search criteria.

Bittaford Play Area will have benefitted from its new play equipment by the time this Newsletter goes out, and our thanks go to Parish Councillors Sue Daniels and Jim Abraham for their hard work in making it all happen! It will be further improved if the Parish Council's plans to divert the footpath go ahead, which will remove dogs (and their mess) from the play area. The Parish Council, with financial support from SHDC's Locality Fund, will be providing picnic benches for both the Bittaford and Ugborough play areas, which should be in place ready for summer picnics!

Connectingdevonandsomerset Broadband Improving Broadband speeds in the Parish is a real priority, and County Councillor Mumford urged parishioners to go to www.connectingdevonandsomerset.co.uk and complete the speed survey and short questionnaire. In particular, more responses are needed from young people and rural businesses, and the best time to carry out the speed check is in the evening, when speeds are at their lowest.

Ring & Ride A timely reminder of this excellent service for any Ugborough resident, irrespective of age. This door to door service picks up from Ugborough at about 10.15am and takes passengers to Ivybridge or Tesco, allowing about 2 hours for shopping. The cost of the service is £2 return.

In addition, fortnightly trips go further afield, and the next trips are planned to Paignton (13 April), Tavistock (17 April), Looe (11 May) and Newton Abbot (25 May). These trips leave at 9am and are back home about 2.30pm. They cost £4 and must be booked in advance by calling 01752 690444.

Diamond Jubilee commemorations are to include a plaque on the conduit in Ugborough Square, which will be diamond shaped. A celebratory Diamond Jubilee Evensong and Garden Party at Exeter Cathedral is to be held for local 'Unsung Heroes', and the Parish Council has invited Viv and Carol Howard to attend in grateful recognition of all they have done for the Bittaford community.

The South & West Devon Domestic Violence & Abuse Service can support you if you are a victim or witness (past or present) of domestic violence and abuse, or if you are affected by, or concerned about someone else's domestic violence and abuse. Their services include a Helpline 01626 365087, counselling, support groups, children & young people services, and support through the criminal justice system and family court process. In recognition of this important service to the community, the Parish Council granted the Service £50.

Ugborough Churchyard may become a haven for wildlife, following a request that grass cutting should be restricted to a border around the paths, plus one or two extra grass paths between the grave stones, and a little larger lawn area at the entrance. The remaining areas would be mown twice a year, and left to grow and flower naturally, encouraging wild flowers and grasses. The Parish Council supported the request, subject to the approval of the Parochial Church Council.

The Annual Parish Meeting is to be held on Monday evening, 14th May at Moorhaven Clubhouse, and this is an opportunity for YOU as parishioners to find out about and have your say on local issues affecting YOU. Wide-ranging issues will be discussed, including highways, parking, local services and affordable housing. The meeting will start with a presentation on dementia awareness - which is becoming more prevalent in our communities, and affects both sufferers and carers.

Planning Applications No objections were raised to the proposed external cladding at Maple Lodge, Greenacres, Bittaford; the refurbishment of Wrangaton house; nor the ménage at Cantrell Stables, Bittaford. Amended plans for the affordable dwelling at land adjacent to The Old Toll House, Bittaford, received support. The next Meeting will be at 7.30pm on Wednesday 11th April and you are welcome to attend. Agenda and minutes are displayed on the Council's noticeboards and website.

A Community Outreach by Bittaford Methodist Church

Friends of Saint Peter's Church have so far raised over £3,300 as part of their work to ensure that the church building continues to be the centre of Ugborough community life - tackling the winter chill and damp patches while helping make the history of the church in our village more widely known. FoSP are planning a fund raising barbecue on 26th May at Fowlescombe Farm and a concert by the Torbay Police Choir on 6th October.

And on Saturday 21st May FoSP launch the "Graveyard Project", to map the church graves, photograph them and then digitalise the information on the headstones (and from many other available sources) to provide a virtual map for ancestor hunters and all those interested in Ugborough's social history.

So if you have an enthusiasm for IT, photography, family or local history or are just looking for something different come and join us at the start of this exciting project to get Ugborough community history onto the Web.

If you would like to know more about FoSP contact Taff or Philomena Jones, 01752 892086 or philomenabjones@aol.com.

St Peter's Church, Ugborough

Dear Friends,

As I write we are fast approaching Easter, and this is the time within the Church of England we have our Annual Parochial church meetings. I would like to thank all those who have worked so hard to keep our churches going in the last twelve months. We have some eight churches within our Mission Community, and that includes St. Mary's, North Huish. Seven of them are grade one listed, meaning that they are ranked as being in the highest grouping of historical importance in the country. The cost of insuring, heating and maintaining them is significant, and it is good that so many in our villages give sacrificially so that they can continue. I would like to thank all those who give to the church, in their time, talents and money.

Last autumn, Kathy and I went up to Liverpool for a wedding. We had time to spare, so we went into a Garden Centre. We saw for sale, a butterfly attached to a wire. At the other end was a small electric motor powered by a solar energy panel. The butterfly started circling when the sun hit the panel. I thought that, maybe, the butterfly was like us. We need the Son of God to shine in our lives in order that we might become alive for Him in the world. It is the radiance of the love of God that can set us to live, as God means us to do in the world. I find with my butterfly, if it does not face the sun, it fails to move.

I pray that this Easter we may open our hearts to the resurrection love of Jesus, and experience the new life He came to give, both now and through into eternity. Please come and worship in our churches and experience the love of God enlivening your hearts and souls. So many of us can hibernate, as a chrysalis, on our Christian journey. Open the 'solar panels' of your heart towards the light of the One who gave His all for you on the cross. Then you will experience the life He came to give, driving you to live to His glory.

Happy Easter! He is Risen!

John Ough (Rector)

There has been much to celebrate in our church family recently.

Congratulations and love to Mark on his recent baptism.

We are delighted to celebrate 2 weddings and a further baptism in our church this month and send love to Stacey and Katie and their fiancés on their special days.

Many thanks to everyone who came and supported Mary's Coffee Morning in aid of the church. There were many generous donations of fabulous cakes, plants and raffle prizes which all helped to raise £240.65. This will go towards to the church's 'building fund'. Thank you again for all your help and support- see you next year hopefully in a new house!!
